

## Bath Panel Measuring Template

Customer Name: \_\_\_\_\_

Bath Panel Details

Colour / Finish: \_\_\_\_\_

Style: Plain / Tongue & Groove / Shaker / Planked

Panel Thickness: 10mm / 15mm / 18mm

5mm Lip Required: Yes / No

Customer Notes: \_\_\_\_\_

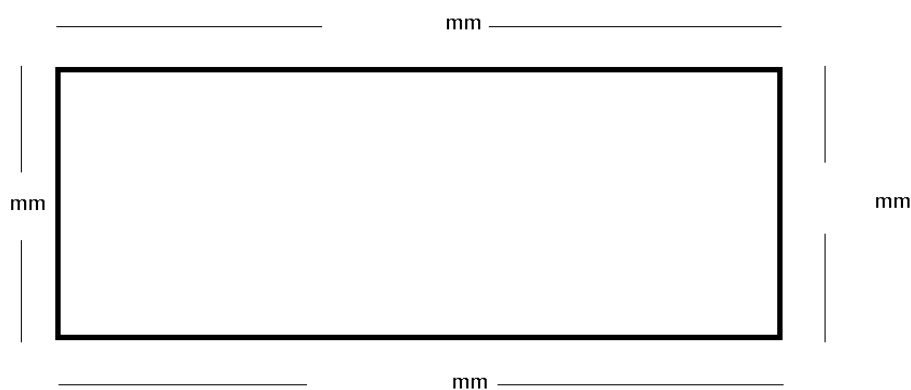

Please record dimensions for all sides of front / end panel (If required).

If both ends of a panel are different heights, then please specify that the floor is unlevel or the bath is fitted unlevel.

If all four dimensions on a panel are different, then please mark at least one corner of the panel as a right angle so that we can calculate the angles on the panel.

Lines can be drawn on the diagram to represent cut outs but please also include the height and width dimensions of the cut out on the diagram in mm

*Front Bath Panel*

*End Bath Panel ( if required )*
